SCHOOLMESSENGER

We are asking all parents to make use of the new Safe Arrival absence reporting system in School Messenger.

To enhance our existing absence-checking procedure, we are introducing a **new, more efficient** student absence reporting system called **SafeArrival**. This new system will reduce the time it takes to verify student attendance, make it easy for you to report your child's absence and easy for staff to respond to unexplained student absences.

With **SafeArrival**, you are asked to report your child's absence in advance using any of these 2 convenient methods:

1. Using your mobile device, download and install the **SchoolMessenger App** from the Apple App Store or the Google Play Store (or from the links at <https://go.schoolmessenger.com>). The first time you use the app, select **Sign Up** to create your account. Select **Attendance** then **Report and Absence**.
2. Use the SafeArrival website, <https://go.schoolmessenger.com>. The first time you use the website, select **Sign Up** to create your account. Select **Attendance** then **Report and Absence**.
3. Call the toll-free number **866-318-3211** to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time.

In addition, we will use the **SchoolMessenger Communicate** automated notification system to contact parents whose child is absent when the absence was not reported in advance. The automated notification system will attempt to contact parents at multiple contact points until a reason is submitted for the absence. If our system is unable to reach the designated contacts, office staff will follow up.

If you report your child's absence in advance using the SafeArrival toll-free number, website or mobile app, you will NOT receive these notifications.
